<b>EMPLOYEE COMMENTS</b>
XYZ Company
<b>What does this organization do that makes it a place where people would want to work?</b>
Products and services
Challenging work environment. Great people.
Everyone gives every effort to improve the company and its products.
Our leadership team does a great job of providing communication. Our mission and vision inspires me to come to work each day.
Pay and Benefits
I love coming to work everyday. My supervisor cares about me as a person and always asks about my day. My supervisor values my contributions.
Everyone gives every effort to improve the company and its products.
Flexible work schedules make it easier to deal with family issues and have work-life balance.
Our team-building programs help us to connect with each other to be more creative.
Amazing team
We strive to achieve our goals collectively. One persons ideas are as valuable as another's.
<b>What can this organization do to increase your satisfaction and productivity as an employee?</b>
A better healthcare plan with lower deductible.
Better pay increases and more advancement opportunities for internal employees.
Have proper initial training and continued training throughout.
I would like to have a focus on technology and acquire more software applications to help us manage our business operations.
We need to improve our standard operating procedures and document them as they are created.
Dept is short staffed, so feel overwhelmed as work backs up. Need more help.
Staffing levels need to be evaluated so we can provide faster turnaround times.
Don't change policy and procedure without communicating in advance.
Better basic training. A walk through with more thorough explanation of what the job entails. A more thorough interview process.
